

2021 Night to Shine Inspiration Flip Book

Hi Night to Shine family!

We are so excited that you are a part of this worldwide movement of celebrating people with special needs. We pray that your community would see + feel the love of Jesus through your church + through Night to Shine!

We have put this booklet together to share some fun and unique ways churches around the world are serving + celebrating their honored guests through Night to Shine.

Please know that this is by no means meant to dictate the exact way your event should look. We simply hope flipping through this booklet will inspire, encourage, + energize you + your team as you plan your event!

Thank you for your heart to serve the Lord + love on your Kings + Queens!

God bless,  
TTF Team
